

MaineDOT

Notice of Preliminary
ON-DEMAND VIRTUAL
PUBLIC MEETING
Norway

To Discuss the replacement of the Tannery Brook Bridge #3610 which carries Main Street (Route 117) over Tannery Brook in the Town of Norway.

**Access to this and all other Virtual Public Meetings
are available at mainedot.gov/vpi
This meeting gives the opportunity for public comment.**

MaineDOT will have an on-demand presentation available that will act as our formal Public Meeting. This meeting will give information about the proposed project, including video presentations and other pertinent information to help the public understand the project. These on-demand meetings allow for increased engagement and convenient viewing at any time. The meeting also provides the ability for online comments and questions that will be answered by MaineDOT staff.

The Department is conducting the public meeting to inform the public and invite public comments. We are particularly interested in learning local views, discovering local resources, and identifying local concerns and issues. Anyone with interest is asked to view the presentation at the above website.

MaineDOT invites and encourages you to review the meeting and share your thoughts on this project until November 21st, 2021. While the official comment period closes on that date, the meeting will still be available for viewing beyond that date at our Project Library page located at this site. maine.gov/mdot/vpi/library/

Accommodations will be made for persons with disabilities.

Questions, comments, or inquiries can be made directly through the on-demand meeting or can be directed to the Project Manager listed below.

Andrew Lathe, Project Manager,
Maine Department of Transportation,
24 Child Street, 16 State House Station,
Augusta, Maine 04333-0016.
